

**INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION
(Insurance Compact)**

PUBLIC NOTICE

Insurance Compact Office Seeks Feedback on Website

The Insurance Compact Office invites all interested parties to provide feedback on the Insurance Compact website in connection with Priority III, Action Item 3 of the [Insurance Compact Compass](#).

The Insurance Compact Office asks for your candid feedback on the ease-of-use and functionality of the website and the content by responding to a quick five-minute survey: https://www.surveymonkey.com/r/ic_website_survey. Multiple responses per Compacting State and filing company are encouraged, because we seek individual reactions on the effectiveness of the website. **The online survey will be open for response through Friday, June 5th.**

Part of this Action Item is to convene groups of Insurance Compact stakeholders for further discussion of the website and survey responses. We will have a group for regulators, one for industry/company filers, and one for consumer representatives/state legislators. We expect to hold three, hour-long calls of each group – once per week throughout June and July – and hold a fourth public call bringing together all groups to review the comments and suggestions for website improvement. More calls may be needed depending on the volume of feedback and participation. We will convene these groups via WebEx beginning in mid-June. If you are interested in participating, please contact [Sara Dubsy](#).

The Insurance Compact Office greatly appreciates your time in answering the survey questions. If you have any questions about this survey, the groups, or about the Insurance Compact in general, please contact the [Insurance Compact Office](#).
