- 1. Roll Call**
- 2. Review 2022 Mix and Match survey results**

Explanation: During the May Rulemaking Committee call, committee members requested to review the 2022 survey results on mix and match. In advance of the call, please review the compilation of survey results for both the regulator survey and the company filer survey.

- 3. Review Reasons for Mix and Match**

Explanation: During the May Rulemaking Committee call, committee members asked for specific examples of mix and match. In advance of the call, please review the reasons for mix and match which include exemplary filings for each reason.

4. Review, Discuss and Finalize Mix-and-Match Discussion Document for Public Exposure

Explanation: During the May Rulemaking Committee call, committee members asked for additional time to consider the questions posed in this discussion document especially the proposed options to address regulator concerns about state filings being used with Compact filings. In advance of the call, please consider these options including how useful they would be for your department and whether there are other suggested options.

5. Discuss next Rulemaking Committee call and Steps

6. Any Other Matters / Adjourn
