UNIFORM STANDARDS FOR RIDERS, ENDORSEMENTS OR AMENDMENTS USED TO EFFECT GROUP TERM LIFE INSURANCE POLICY CHANGES

1. Date Adopted: October 24, 2024
2. Purpose and Scope: The Uniform Standards For Riders, Endorsements or Amendments Used to Effect Group Term Life Insurance Policy Changes apply to riders, endorsements or amendments that are used to effect all group policy changes that are required by state or federal law, or that have been requested for a group term life insurance policy by the policyholder, or that are the result of either party exercising their rights under the group policy, as applicable. Such change forms may be attached to the group term life insurance policy on the policy date of issue or after the policy date of issue.

With respect to non-employer groups, approval of a group policy and certificate by the Commission shall not be deemed as approval to use or issue the product to a non-employer group. A non-employer group must be approved or permitted by the Compacting State as required under the applicable state laws and procedures before a product filing approved by the Commission pursuant to the applicable group Uniform Standards may be issued to a non-employer group

3. Rules Repealed, Amended or Suspended by the Rule: This rule amends the Uniform Standards for Riders, Endorsements or Amendments Used to Effect Group Term Life Insurance Policy Change originally adopted by the Interstate Insurance Product Regulation Commission (“IIPRC”) on November 28, 2012, and amended on August 12, 2022. The amendments apply only to new filings received after the effective date of the amendments. It is not necessary to resubmit previously approved forms to comply with these amendments, or to suspend use of previously approved forms that do not comply with these amendments. See the Transmittal Memo under the Standards History on the Record for a more detailed description of the amendments.

The purpose of these amendments is to amend the Group Term Life Uniform Standards to allow for Other than Employer Groups.

4. Statutory Authority: Among the primary purposes and powers of the Interstate Insurance Product Regulation Commission (“IIPRC”) is to establish reasonable uniform standards for insurance products covered under the Interstate Insurance Product Regulation Compact (“Compact”), specifically pursuant to Article I §2, Article IV § 2 and Article VII § 1 of the Compact, as enacted into law by each IIPRC member state.

Such policy change forms may be attached to the group term life insurance policy on the policy date of issue or after the policy date of issue.

With respect to non-employer groups, approval of a group policy and certificate by the Commission shall not be deemed as approval to use or issue the product to a non-employer group. Mix and Match: These standards are available to be used in combination with State Product Components as described in Section 111(b) of the Operating Procedure for the Filing and Approval of Product Filings. These standards are available to be used in combination with IIPRC-approved or state-approved group life insurance and annuity forms.

Self-Certification: These standards are not available to be filed using the Rule for the Self-Certification of Product Components Filed with the Interstate Insurance Product Regulation Commission.
